

Divya Orphanage, Trichy

Sivaranjani

Three year old Sivaranjani's mother died giving birth to her, after which her father fell into depression. Sivaranjani is unaware of what has happened to the people closest to her. As a baby she cried a lot and it would be heartbreaking for her father. Her father has two other daughters to care for and the grandparents were too old to care for her. So he decided to bring the baby to Divya orphanage. Here Siva, as we lovingly call her, has grown a lot. In such a tender age, she has a wonderful sense of responsibility. She is growing up to become the beloved of many at the orphanage.

Mission

Our mission, as a compassionate but non-sectarian international charity is to change lives by harnessing the compassion and commitment of dedicated staff and volunteers to deliver sustainable, high-impact, community-based services to the poor and needy.

Independence Day Celebration

Since last four year on the Independence Day this family has been distributing food and sweets to all the children. The children loved the taste of the home prepared lunch that they got to eat.

Kavya

Kavya is 6 years old and a student of 1st grade. She has six brothers and sisters. For the children, it was fun to have so many siblings but for the parents it was challenging. There would never be enough food for everybody. And the saddest day for Kavya was when her dad left the home never to come back. Maybe he left because they were fighting for more food and he was not able to provide for them. For whatever the reason, the father left and Kavya was now to survive along with her mother and her six siblings. Life now was even more difficult. Her mother with a heavy heart parted with Kavya when she was brought to our orphanage. But it was good for her. Today, she eats to her full and sometimes even shares with her friends.

Village Missions Movement: Meditation Programme

On 21st September, the Village Missions Movement conducted a special meditation camp for our children in which they demonstrated the exercise. This innovative exercise was very happily received by our children.

Educational programmes for the kids

On 22nd September, the students of Jamaal Mohammad College, Trichy and the doctors of Saranya Hospital conducted a day's seminar in which they highlighted the importance of education. The children participated in the programme with enthusiasm.

The students of Jamaal Mohammad College, Trichy, and the Athma Psychology social centre delivered lectures on the behavioral problems of school going children. It was very beneficial for the staff as we learnt to deal with various situations with more empathy.
