

# HOPE *worldwide* School Ranchi

Ranchi is known for some of the best English medium schools in the east region of India. To get enrolled in these schools, the children have to sit in entrance exams. Khushi was just 4 year old but she was expected to know all her English alphabets, the number count in words, and other things. Her father desired to send her to the English medium school but could not help her as he is illiterate. She sat for the exams but did not pass. It was then that he came to our school. Her teacher found her to be an outstanding student who quickly grasped what was being taught in the class; she believed that Khushi would do very well in the exams. Khushi wrote the enrollment exam again and proved her right. She has got admission in one of the best schools in Ranchi. Her parents are extremely proud of her and are grateful to you and HOPE *worldwide* for their dream has turned into reality.
